Sustainable Energy Technologies and Assessments

Cordoba, Spain, April 21, 2020.

Dear Editor,

Please find attached a manuscript, entitled “*A new software tool to facilitate environmental modelling procedures based on meteorological data management*” submitted for possible publication in Sustainable Energy Technologies and Assessments.

We confirm that the manuscript has been read and approved by all named authors and that there are no other persons who satisfied the criteria for authorship but are not listed. We further confirm that the order of authors listed in the manuscript has been approved by all of us.

We wish to confirm that there are no known conflicts of interest associated with this publication and there has been no significant financial support for this work that could have influenced its outcome.

Best regards,

Antonio M. Gómez-Orellana, Juan C. Fernández, Manuel Dorado-Moreno, Pedro A. Gutiérrez,  
César Hervás-Martínez
