Energies

Cordoba, Spain, 3 May, 2019

Dear Editor,

Please find attached a manuscript, entitled “***SPAMDA: Software for Pre-processing and Analysis of Meteorological Data to build datasets***” submitted for possible publication in *Energies*.

We state that it is our original work, and it has not been submitted, nor it is under consideration in any other forum.

This work has been partially subsidised by the projects TIN2017-85887-C2-1-P and TIN2017-90567-REDT of the Spanish Ministry of Economy and Competitiveness (MINECO), and FEDER funds of the European Union.

Should you have any doubts or question about this submission, please do not hesitate in contacting us,

Best regards,

Juan Carlos Fernández
