# CERTIFICATE OF ACCEPTANCE

Certificate of acceptance for the manuscript (energies-1069865) titled:

Building Suitable Datasets for Soft Computing and Machine Learning Techniques from Meteorological Data Integration: A Case Study for Predicting Significant Wave Height and Energy Flux

Authored by:

Antonio Gómez-Orellana; Juan Carlos Fernández; Manuel Dorado-Moreno; Pedro Antonio Gutiérrez; César Hervás-Martínez

has been accepted in *Energies* (ISSN 1996-1073) on 13 January 2021

Academic Open Access Publishing  
since 1996
